Banana Cafe
& PIANO BAR
Cuban • Puerto Rican • Tex Mex Cuisine

Over 20 years ago Jorge Zamorano, a self taught artist, born in Cuba and raised in Puerto Rico took over a Tex-Mex restaurant at this location. He set out to create a place that reminded him of his Caribbean upbringing, combining his passion for art, music and his native cuisine. Keeping the ever popular Tex-Mex, he then integrated his grandmother Sofia's family recipes brought from Cuba and the recipes he learned to love growing up in Puerto Rico. Over the years Banana Cafe has become a colorful, casual, fun feel at home neighborhood restaurant. So with quality homestyle cooking, a sense of tradition and the knowledge that so many people yearn for a familiar place at a time when everything around us is constantly changing, we are happy to welcome you home here at Banana Cafe & Piano Bar. Please enjoy yourself.
